Dear Parents/ Carers,

All organisations must have a legal basis for processing your personal information or your child's personal data. This legal basis could be a legal obligation, life or death situations, as part of a contract with you or through consent given by you. You can give consent for yourself or your child if they are under the age of 13. If your child is 13 or older then they need to give consent themselves.

The General Data Protection Regulation (GDPR) May 2018 explains that:

- *Consent must be a freely given, specific, informed and an unambiguous indication of your wishes. There must be a clear affirmative action showing your consent. Also, consent can be removed, however there may be another legal basis for processing your personal data.*

This form is used to record evidence of your explicit consent to process the personal data.
