\*revisits songs previously taught so bear in mind if teaching the rolling programme. Additional 'Song Selections' are available via the Freestyle section of the site.

This table shows an overview where music is a lead subject in our half-termly units.

The priority of the units has been chosen to take into account the progression of skills across the key stages and also to give our children a balanced selection of musical styles derived from a diverse range of cultures from around the world. It really celebrates the contributions of people of African heritage and the African rhythms which are the bedrock of Western popular music
