

Dear Families,

What an incredibly busy week it has been this week.

We started the week off with our whole school visit to church. During the morning the children worked in mixed age groups to complete an Easter Prayer trail. The children also took part in a range of craft activities. The morning was thoroughly enjoyed by everyone. A HUGE THANK YOU to our amazing Ethos Group who planned and organised the event. The children in this group have given up every lunch break over the past few weeks to make sure everything was ready for this event. Also thank you to Rev John and his army of helpers who helped things run smoothly and of course the school staff who helped coordinate the activities throughout the morning.

On Monday afternoon our two Parliamentarians visited the Mayor's Chambers for their latest Pupil Parliament session. During the afternoon they heard presentations about the work the Mayor does as well as her council officers and how the council runs. They even had the opportunity to take part in a ballot and have a tour of the chambers. All followed by some lovely refreshments. Thank you to James and Madison for being such good representatives for our school.

On Wednesday KS1 Geography club flew off to Italy. During the club we learnt all about where Italy is located, some facts about the country, the current troubles with droughts in Venice, made flags and even enjoyed making some pizza! Well done geographers.

Thursday was of course World Book Day. We have once again been blown away not only by costumes but also by the competition entries for the Book in a Box competition. I don't think we have ever had so many entries and it was very difficult to choose just one winner from each class. The winners for each class are as follows:

- Ladybirds/Butterflies: Eliza Condliffe
- Busy Bees: xxxxx
- Eager Beavers: Phoebe Chapman
- Wise Owls: Megan Hampson

It was also wonderful to welcome so many grown-ups in for our Book and a Brew session. Throughout the week we have also enjoyed our Mystery Reader sessions in school with the children visiting different classes to have stories read to them by a mystery member of staff.

Wishing you all a wonderful weekend.

Miss Clark

WORLD BOOK DAY

We have had such a lovely week in school centered around World Book Day, the week started with our mystery readers, pictured below, and ended with an amazing turn out for Book and a Brew yesterday. A big thank you to Mrs Lyon and Miss Tither, our English subject co-ordinators, who organised the week.
